

## Requests for Flexi-Boarding

We offer flexi-boarding places to parents on a first come, first served basis and availability of bed space with an appropriated aged room-mate. The cost is £50 per pupil per night, which includes full board.

The following is a list of items that pupils need to bring with them:

- school uniform and PE kit if needed
- casual clothes/shoes/jacket or coat
- swim wear
- toiletries/wash bag
- towels
- pillow and duvet with covers (optional but most like to have their things from home)

We discourage our boarding pupils from bringing expensive/valuable items to school as a matter of course.

Parents/guardians must ensure that house staff are aware of any medical or dietary needs. Any medication needs to be clearly labeled and given directly to a member of staff.

Bags can be left in the boarding house by arrangement before 8.10 am or in the Reception office after 8.30 am.
