

9th January 2012

Dear Parents

I would like to take part in the Haven Fun & Fitness free sports equipment giveaway. This is a scheme which promotes physical activity in schools for under 5's by giving away free sports equipment.

The equipment has been specially selected to help schools meet their Early Years Framework targets and will also improve children's numeracy, shape and colour recognition. Packs will include bat and ball games, throwable dice, geoshape mats and other items that provide plenty of scope for indoor and outdoor games.

Taking part is easy; all the school has to do is register before 31st January 2012. However, the key to our success in receiving the free equipment is for 70 per cent of our parents to support our campaign.

All you have to do is log on to www.havenfunfitness.com and leave a message on the Sibford School's Fun & Fitness page before April 2012.

If we manage to become one of the first 1,000 schools on the campaign to hit the 100 per cent target we will also receive a bonus item of either a Kiddimoto bike, mini high jumps, geometric course, curved walkway, space hoppers or stepping stones.

Please register your interest in this project by completing and returning the reply slip below or by emailing the school office - jfriday@sibfordschool.co.uk

Thank you.

Yours sincerely

Nicola Watson
