

From the Clerk of School Committee
(Chair of Governors)

3rd April 2011

Dear Parents and Guardians,

I am writing to tell you about the revision of school fees which was agreed by the School Committee (Governors) at their meeting on 26th March and which will take effect in September 2011. It's not an easy letter to write – and I don't imagine that it is an easy letter to receive!

We appreciate that these are especially tough times for many of you, and that you make significant sacrifices to find your children's school fees. Whilst the finance staff work hard to ensure that we all receive value for money, we do have to raise fees if we are to continue the quality of education which we provide. For the third consecutive year, we have managed to maintain the increase in fees at 3 per cent, which is below the current rate of inflation.

I enclose a sheet from which you will see your own increase, and I trust that you will feel that it continues to represent good value.

I always enjoy meeting those of you I can at Parents' evenings and other school events, and I look forward to many other occasions to do so.

With all good wishes,

Yours, in Friendship,

Seren Wildwood
